

FACULTY OF ALLIED HEALTH SCIENCES
ERA UNIVERSITY LUCKNOW

Research Publication Details

S.N	AUTHOR NAME	TITLE OF THE PAPER	JOURNAL NAME	ARTICLE TYPE	NATIONAL /INTERNATIONL	NAME OF THE INDEXING BODY
SUNIL KUMAR GUPTA(ASST. PROF. & HEAD)						
1.	Sunil Kumar Gupta	Phacoemulsification Versus Manual Small Incision Cataract Surgery in Hard Nuclear Cataracts	Turkish Online Journal of Qualitative Inquiry	Original Research	International	Scopus
2.	Sunil Kumar Gupta	Prevalence of refractive error in children-hospital based study in Lucknow	International Journal of Community Medicine and Public Health	Original Research	International	PubMed
3.	Sunil Kumar Gupta	IMPACT OF CARDIOVASCULAR AND METABOLIC DISORDER IN DEVELOPMENT OF CATARACT	International Journal of Medical Science in Clinical Research and Review	Review Article	International	Pubmed
4.	Sunil Kumar Gupta	Prevalence of astigmatism in school going children: a hospital-based study at Majeedia Hospital, New Delhi	International Journal of Community Medicine and Public Health	ORIGINAL ARTICLE	INTERNATIONAL	PUBMED
5.	Sunil Kumar Gupta	Clinical Changes in Eye due to Covid - 19 Pandemic: A Review	Journal of Advances in Medicine and Medical Research	Review Article	INTERNATIONAL	PUBMED(NLM)
6.	Sunil Kumar Gupta	Know Right to Prescribe Right	International Journal of Health Sciences and Research	Case report	INTERNATIONAL	PUBMED(NLM)
7.	Sunil Kumar Gupta	Harmful Effects of Plastics on Human Health and the Environment	International Journal of Social Scienceand Humanities Research	Review Article	INTERNATIONAL	Google schoar
8.	Sunil Kumar Gupta	Traditional teaching method Vs Modern teaching method	International Journal of Educational Research	Review Article	INTERNATIONAL	Google schoar

1.	Namrata Srivastava	Evaluation the effect of posterior sub-capsular cataract on the refractive state of eye	International Journal of Research in Medical Sciences	Original Article	International	Pubmed
2.	Namrata Srivastava	A review of the treatment of drug induced presbyopia	International Journal Of Community Medicine And Public Health	Review Article	International	Pubmed
3.	Namrata Srivastava	A non-surgical conservative management of congenital Dacryostenosis	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
4.	Namrata Srivastava	Assessment of dry eye in pediatric population along with ocular surface disorder and visual display terminal	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
5.	Namrata Srivastava	Evaluation the effect of posterior sub-capsular cataract on the refractive state of eye	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
6.	Namrata Srivastava	Prevalence of astigmatism in school going children: a hospital-based study at Majeedia Hospital, New Delhi	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
7.	Namrata Srivastava	The relationship between intraocular pressure and random blood glucose levels with open angle glaucoma	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
8.	Namrata Srivastava	Evaluation of the incidence and risk factors of ocular disorder in primary school children: a cross-section analysis	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
9.	Namrata Srivastava	Level of Awareness and Knowledge about Glaucoma among Adult Patients	International Journal of Current Research and Review (IJCRR)	Review Article	International	Scopus
10.	Namrata Srivastava	Physical Rehabilitation of the Visually Impaired and its implications for Tactile Modelling	International Journal Of Community Medicine And Public Health	Systemic Review Article	International	Pubmed
11.	Namrata Srivastava	A Review Exploring The Dynamic Of Aqueous Humor And Glaucoma: Open & Close Angle Perspective	European Journal Of Pharmaceutical and Medical Research	Review Article	International	Web of Science Group, Index Copernicus

12.	Namrata Srivastava	Review Article on A Comprehensive Review of Binocular Vision in Myopia Control	International Journal Of Community Medicine And Public Health	Review Article	International	Pubmed
13.	Namrata Srivastava	Exploring the link between convergence insufficiency and electronic device use	International Journal of Science & Research Archive	Review Article	International	Google Scholar and Cross Ref
14.	Namrata Srivastava	Atropine for Myopia Control: Efficacy, Challenges And Future Directions	European Journal Of Pharmaceutical and Medical Research	Review Article	International	Science Citation Index, Scopus Data-base
15.	Namrata Srivastava	Unconventional Interventions Leading to Anterior Uveitis: A Case Report on removal of Corneal Foreign Body by a Non-Medical Person	International Journal of Health Sciences and Research	Original Article	International	Pubmed
16.	Namrata Srivastava	Prevalence of Convergence Insufficiency in Pediatric Group Children: population Based	European Journal Of Pharmaceutical and Medical Research	Review Article	International	Science Citation Index, Scopus Data- base
17.	Namrata Srivastava	Review Article on Diabetes and the retinal changes in the eye: a threat to the sight	International Journal Of Community Medicine And Public Health	Review Article	International	Pubmed
18.	Namrata Srivastava	A Comprehensive Review of Binocular Vision in Myopia Control	International Journal Of Community Medicine And Public Health	Review Article	International	Pubmed
19.	Mrs. NAMRATA SRIVASTAVA	Prevalence of Myopia Among School-Going Children: Insights from a Hospital-Based Study	International Journal Of Community Medicine And Public Health	Original Article	International	Pubmed
20.	Namrata Srivastava	Unconventional Interventions Leading to Anterior Uveitis: A Case Report on removal of Corneal	International Journal of Health Sciences and	Original Article	International	Pubmed

		Foreign Body by a Non-Medical Person	Research			
21.	Namrata Srivastava	Exploring the link between convergence insufficiency and electronic device use	International Journal of Science & Research Archive	Review Article	International	Google Scholar and CrossRef
22.	Namrata Srivastava	Impact of Manual Lymphatic Drainage Vs. Kinesiology Taping on Lymphedema Management Post-mastectomy- an Experimental Study	International Journal For Multidisciplinary Research	Original Research Article	International	Google Scholar CrossRef ResearchBib
23.	Namrata Srivastava	Exploring the link between convergence insufficiency and electronic device use	International Journal of Science & Research Archive	Review Article	International	Google Scholar CrossRef
24.	Namrata Srivastava	Physical Rehabilitation of the Visually Impaired and its implications for Tactile Modelling	International Journal Of Community Medicine And Public Health	Systemic Review Article	International	Pubmed
25.	Namrata Srivastava	A Review Exploring The Dynamic Of Aqueous Humor And Glaucoma: Open & Close Angle Perspective	European Journal Of Pharmaceutical and Medical Research	Review Article	International	Science Citation Index, Scopus Data-base
26.	Namrata Srivastava	Unrevealing Abducens Palsy Vs. Divergence Insufficiency: A Comprehensive Review	International Journal of Health Sciences and Research	Original Article	International	Pubmed
27.	Namrata Srivastava	Anatomical Dimensions of hyperopic Eyes- A clinical Exploration	EPRA International Journal of Multidisciplinary	Original Research	International	Science Citation Index, Scopus Data- base

			Research (IJMR)	Article		
28.	Namrata Srivastava	Vision-Specific and Psychosocial Impacts of Low Vision on Quality Of Life in Northern Uttar Pradesh, India	International Journal of Scientific Research	Original Research Article	International	Pubmed/ Pubmed Central /Google Scholar and Cross Ref
29.	Namrata Srivastava	Multimodal Treatment Outcomes in Chronic Central Serous Choroidopathy: A Case Study	International Journal of Medical Science in Clinical Research and Review	Original Research Article	International	PubMed Scopus Web of Science
30.	Namrata Srivastava	Optimizing Intraocular Lens Power Estimation In Eyes With Irregular Astigmatism	Irish journal of medical science	Original Research Article	International	Scopus, SCIE (Web of Science), PubMed, PMC
31.	Namrata Srivastava	Optical Coherence Tomography Evaluation of Dome-Shaped Macula in Pediatric High Myopia	Irish journal of medical science	Original Research Article	International	Scopus, SCIE (Web of Science), PubMed, PMC
JAMSHED ALI (ASSISTANT P ROFESSOR)						
1.	Mr. Jamshed Ali (Co-Editor)	Effects Of Covid-19 Pandemic	Redmac International Press & Media	Chapter Book	National	Redshine Publication India
2.	Jamshed Ali	Screening Of Convergence Disorders And Accommodation Disorders Among School Children In Gorakhpur	European Journal Of Molecular & Clinical Medicine	Original Research	International	Scopus
3.	Jamshed Ali	Prevalence Of Astigmatism In School Going Children: A Hospital-Based Study At Majeedia Hospital, New Delhi	International Journal Of Community Medicine And Public Health	Original Research	International	Pubmed
4.	Jamshed Ali	Influence Of Mini-Scleral Contact Lens Wear On Cornea In Ectatic Corneal Disorders	International Journal Of Current Research And Review	Original Research	International	Scopus
5.	Jamshed Ali	Knowledge About Cataract And Its Risk Factors Among An Adult Population In Rural Lucknow	JOURNAL OF OPTOELECTRONICS LASER	Original Research	International	Scimago Scopus

6.	Jamshed Ali	Ocular Morbidity Pattern In Kashmir – A Hospital-Based Study	Indian Journal Of Clinical And Experimental Ophthalmology	Original Research	National	Scopus
7.	Jamshed Ali	Various Action Plans And Initiative Activities Of NPCB	Acta Scientific Ophthalmology	Original Research	International	Google Scholar Web Of Science
8.	Jamshed Ali	Low Vision Management In Heredomacular Degeneration: A Case Report	International Journal Of Scientific Reports	Case Report	International	Google Scholar Copernicus
9.	Jamshed Ali	Prevalence Of Refractive Error In Children- Hospital Based Study In Lucknow	International Journal Of Community Medicine And Public Health	Original Research	International	Pubmed
10.	Jamshed Ali	Prevalence Of Dry Eye Among Paramedical Students Of Teerthankar Mahaveer University, Moradabad, Uttar Pradesh	International Journal Of Research In Medical Sciences	Original Research	International	Pubmed
11.	Jamshed Ali	Impact Of Second Phase Lockdown Over Indian Optometrists: A Questionnaire Based Study	International Journal Of Advances In Medicine	Original Research	International	Google Scholar Copernicus
12.	Jamshed Ali	A COMPREHENSIVE REVIEW ON COLON TARGETED DRUG DELIVERY SYSTEM	WORLD JOURNAL OF PHARMACY AND PHARMACEUTICAL SCIENCES	Review Article	International	Scopus ,Elsevier
13.	Jamshed Ali	Strategies Adapted For Patient-Oriented Care And Satisfaction During The Covid-19 Pandemic: An Overview	Drugs And Cell Therapies In Hematology	An Overview	International	PAGEPRESS PUBL
14.	Jamshed Ali	An Insight Of Covid-19 And Mucormycosis	Journal Of Medical Pharmaceuticals And Allied Sciences	Review Article	International	Scopus
15.	Jamshed Ali	Cause Of Amblyopia In Adult Patients: A Cross-Sectional Study	International Journal Of Community Medicine And Public Health	Original Research	International	Pubmed
16.	Jamshed Ali	The Magnitude Of Refractive Error	Acta Scientific Ophthalmology	Review Article	National	Google Scholar Copernicus

17.	Jamshed Ali	Investigations Of The Dry Eye: An Overview	Bioscience Biotechnology Research Communications	Review Article	International	Web Of Science Google Scholar
18.	Jamshed Ali	Optimization Of Routine Eye Examination In Asymptomatic Patients In Tertiary Eye Care Center In Western Uttar Pradesh	Bioscience Biotechnology Research Communications	Review Article	International	Web Of Science Google Scholar
19.	Jamshed Ali	Phacoemulsification Versus Manual Small Incision Cataract Surgery In Hard Nuclear Cataracts	Turkish Online Journal Of Qualitative Inquiry	Original Research	International	Scopus
20.	Jamshed Ali	PHACOEMULSIFICATION VERSUS SMALL INCISION CATARACT SURGERY -A SURGICAL OPTION FOR IMMATURE CATARACT IN DEVELOPING COUNTRIES	Journal Of Cardiovascular Disease Research	Original Research	International	Scopus
21.	Jamshed Ali	Knowledge, Attitudes, And Beliefs Of Newly Enrolled Undergraduate Students Towards Refractive Corrections-A Questionnaire-Based Study	PSYCHOLOGY AND EDUCATION	Original Research	International	Scopus
22.	Jamshed Ali	Phacoemulsification Versus Small Incision Cataract Surgery For Treatment Of Cataract	Annals Of R.S.C.B	Original Research	International	Scopus
23.	Jamshed Ali	Post-Operative Visual Prognosis In Senile Cataract In Tobacco Consumers: Community Based Study In Lucknow, Uttar Pradesh	Journal Of Medical Pharmaceuticals And Allied Sciences	Original Research	International	Scopus
24.	Jamshed Ali	STUDY OF ANTIBIOTIC SUSCEPTIBILITY PATTERNS IN CLINICAL ISOLATES PSEUDOMONAS SPECIES” IN A TERTIARY CARE HOSPITAL IN MEERUT CITY	INTERNATIONAL JOURNAL OF SCIENTIFIC RESEARCH	Original Research	International	UGC Peer-Reviewed
25.	Jamshed Ali	A Comparative Study To Evaluate Visual Outcome In Post-Operative Patients Of Small Incision Cataract	Elementary Education Online	Original Research	International	Scopus

		Surgery And Phacoemulsification				
26.	Jamshed Ali	IMPACT OF CARDIOVASCULAR AND METABOLIC DISORDER IN DEVELOPMENT OF CATARACT	International Journal Of Medical Science In Clinical Research And Review	Review Article	International	Pubmed
27.	Jamshed Ali	Clinical Changes In Eye Due To Covid - 19 Pandemic: A Review	Journal Of Advances In Medicine And Medical Research	Review Article	INTERNATIONAL AL	PUBMED(NLM)
28.	Jamshed Ali	Know Right To Prescribe Right	International Journal Of Health Sciences And Research	Case Report	International	PUBMED(NLM)
29.	Jamshed Ali	Mental Optometry: Perceive To See With The Mind's Eye	Indian Journal Of Clinical And Experimental Ophthalmology	Review Article	National	Scopus
30.	Jamshed Ali	Macular Thickness Comparison In Type II Diabetic Patients Using Optical Coherence Tomography: A Case Control Study	Indian Journal Of Clinical And Experimental Ophthalmology	Original	National	Scopus
31.	Jamshed Ali	A Hospital Based Study On Prevalence And Clinical Presentation Of Cataract In Northern India	JOJ Ophthalmology	Original	International	Google Scholar Publons
32.	Jamshed Ali	Visual Outcome After Cataract Surgery-From Literature	European Journal Of Pharmaceutical And Medical Research	Review Article	International	Google Scholar
33.	Jamshed Ali	A CROSS-SECTIONAL STUDY ON VISUAL OUTCOME AFTER CATARACT SURGERY IN NORTHERN INDIA: AN INDIAN PERSPECTIVE	EPRA International Journal Of Multidisciplinary Research	Original	International	Google Scholar
34.	Jamshed Ali	Impact Of Community Based Education On Student's Performance	Biores Scientia	Review Article	International	Peer-Reviewed

35.	Jamshed Ali	Blindness And Visual Impairment	Biores Scientia	Review Article	International	Peer-Reviewed
36.	Jamshed Ali	Prevalence And Management Of Mucormycosis In India-A Post Pandemic Analysis	International Journal Of Medical Science In Clinical Research And Review	Review Article	International	Pubmed(NLM) Google Scholar
37.	Jamshed Ali	Computer Vision Syndrome- A Digital Eye Strain	Uniscience	Review Article	International	Pubmed(NLM) Google Scholar
38.	Jamshed Ali	Keratometric Changes In A Population-Based Study: A Comparative Analysis Of Pre- And Post-Cataract Surgery Outcomes	IJCMPPH	Original	International	Pubmed(NLM) Google Scholar (Published)
39.	Jamshed Ali	Interconnection Between Pre-Presbyopia, Asthenopia And Refractive Errors Among Handcrafting Workers	IJCMPPH	Original	International	Pubmed(NLM) Google Scholar
40.	Jamshed Ali	Impact Of Blue Light Exposure On The Ocular Structures And Its Preventive Measures Or Management Options	EPRA International Journal Of Research And Development (IJRD)	Review	International	Web Of Science Google Scholar
41.	Jamshed Ali	Role Of Vision Therapies In Myopia Control Youth: A Review Study	IJCEO	Review	National	Scopus/Communicated
42.	Jamshed Ali	Estimating The Progression Of Pediatric Myopia In School-Going Children Among 4-15 Years Of Age	IJCMPPH	Original	International	Pubmed(NLM) Google Scholar
43.	Jamshed Ali	A Pilot Study On Assessing The Role Of Various Learning Methods Among The Optometry Students: A Futuristic Scenario In Optometry Education	IJMSHR	Original	International	Web Of Science Google Scholar
<p align="center">SALAL KHAN (ASSISTANT P ROFESSOR)</p>						

1.	Salal Khan	Correlation study of computer vision syndrome with device brightness mode	Indian Journal of Applied Research	Original Article	National	PubMed, Google Scholar
2.	Salal Khan	Effective Communication cum Counseling during Primary Eye Care	Galore International Journal of Health Science & Research	Systematic Review	International	Index Copernicus, Google Scholar
3.	Salal Khan	Malingering or Simulation testing methods in optometry: An Indian Scenario	International Journal of Research & Review	Review Article	International	Index Copernicus, Peer-reviewed
4.	Salal Khan	Prevalence of Persistent Refractive Amblyopia amongst School-Children: Childhood visual deficit and its correlation with heterophoria & NPC	International Journal of Research & Review	Review Article	International	Index Copernicus, Peer-reviewed
5.	Salal Khan	Comparison of Prevalence data about Digital Eye Strain, Pre-Lockdown vs. Post-Lockdown Period in India	International Journal of Research & Review	Systematic Review	International	Index Copernicus, Peer-reviewed
6.	Salal Khan	Optometrist, A Primary Eye Care Provider: An Underutilized and Untapped Human Resource in India	EPRA International Journal of Multidisciplinary Research	Review Article	International	Google Scholar
7.	Salal Khan	A Survey on factors affecting the decision of Optometry students to work in Rural areas after graduation	International Journal of Medical Science & Current Research	Original Article	International	Web of Science, Peer-reviewed
8.	Salal Khan	Impact of Outdoor Activities, Prevalence of myopia and its associated factors among under-privileged school-children in Rural North India	Sarcouncil Journal of Medical Sciences	Original Article	International	Index Copernicus, Google Scholar
9.	Salal Khan	A Cross-sectional study on awareness and knowledge about eye donation among Rural vs Urban Population in Eastern India	International Journal of Medical Science & Health Research	Original Article	International	Peer-reviewed
10.	Salal Khan	Knowledge and Awareness about Cataract and factors affecting cataract surgery among rural vs urban population in Eastern India	International Journal of Innovative Research in Medical Science	Original Article	International	PubMed, Google Scholar
11.	Salal Khan	Knowledge & Awareness about Optometry Profession among rural vs urban population in Eastern india	International Journal of Research in Medical Sciences	Original Article	International	PubMed, Index Copernicus, Google Scholar

12.	Salal Khan	Iris Melanoma: Genetic Pathway, Staging, Histopathology, Clinical Features, Diagnostic Imaging and Management	International Journal of Science and Healthcare Research	Original Article	International	Index Copernicus, Peer-reviewed
13.	Salal Khan	A Cross-sectional study on Prevalence of DR and Its associated factor among Diabetic Patients	International Journal of Health Sciences and Research	Original Article	International	PubMed, Index Copernicus, Google Scholar
14.	Salal Khan	The Impact of Physical Exercises, Dynamic Activities and Isometric Exercises on IOP of Eye	International Journal of Medical & Allied Health Sciences	Review Article	International	Peer-reviewed
15.	Salal Khan	A Review study on monitoring Physiological parameters for Ocular Diagnostics and Administering drugs for Ocular disease through a CL	International Journal of Scientific Research in Science & Technology	Review Article	International	PubMed, Google Scholar
16.	Salal Khan	Changes in different structures of Eyeball in ICE Syndrome	International Journal of Scientific Research in Science & Technology	Review Article	International	PubMed, Google Scholar
17.	Salal Khan	Ocular Complications associated with HIV Infection and Its Management Options	International Journal of Advanced Research & Review	Review Article	International	Google Scholar
18.	Salal Khan	A Study on Ocular Posterior segments & Neuro-ophthalmic manifestations associated with HIV infection & Its management options	International Journal of Current Science Research & Review	Review Article	International	Index Copernicus
19.	Salal Khan	The speed of Reading with different Low vision devices in Emmetropic subjects	International Journal of Medical Science & Health Research	Original Article	International	Peer-reviewed
20.	Salal Khan	A Systemic Guide for Management of Prosthetic Soft Contact Lenses	YMER International	Review Article	International	Scopus
21.	Salal Khan	Impact of Drug loaded contact lenses in ocular route of drug administration- Advanced tools for Ocular drug delivery	Gis Science Journal	Review Article	International	Scopus
22.	Salal Khan	A Retrospective study on Clinical presentation and features of refractive accommodative esotropia among children and Its significance with ocular profile	International Journal of Medical & Allied Health Sciences	Original Article	International	Peer-reviewed

23.	Salal Khan	Assessment of Quality of life, Pre & Post-fitting satisfaction and Visual Outcome in Keratoconus Patients with Rose-k Contact Lenses	Middle East African Journal of Ophthalmology	Original Article	International	Scopus, PubMed
24.	Salal Khan	Research: A Global Eye-care needs and solution, An Underutilized and Untapped Optometry Resource- Indian vs. International Scenario	SALT Journal of Scientific Research in Healthcare	Original Article	International	Google Scholar
25.	Salal Khan	A Hospital based study on Prevalence and Clinical Presentation of cataract in Northern India	JOJ Ophthalmology	Original Article	International	PubMed, Google Scholar
26.	Salal Khan	Visual Outcome after cataract surgery- from literature	European Journal of Pharmaceutical and Medical Research	Original Article	International	PubMed, Index Copernicus, Google Scholar
27.	Salal Khan	Impact of Community based Education on Student's performance	BioRes Scientia	Review Article	International	Peer-reviewed
28.	Salal Khan	Blindness and Visual Impairment	BioRes Scientia	Review Article	International	Peer-reviewed
29.	Salal Khan	A Review study on Forensic Optometry: New Insight in Forensic Science to solve crime scenes, domestic violence and sexual assaults	International Ophthalmology	Review Article	International	Scopus
30.	Salal Khan	Impact of Blue light exposure on the ocular structures and Its preventive measures or management options	EPRA International Journal of Research & Development	Review Article	International	Google Scholar
31.	Salal Khan	A Cross Sectional on Visual Outcome after Cataract Surgery in Northern India: An Indian Perspective	EPRA International Journal of Multidisciplinary Research	Original	International	Google Scholar
32.	Salal Khan	Computer Vision Syndrome-A Digital Eye Strain	Journal of Medical Clinical Case Reports	Original	International	PubMed, Google Scholar
33.	Salal Khan	Keratometric changes in a population-based study: a comparative analysis of pre- and post-cataract surgery outcomes	IJCMPh	Original	International	PubMed, Google Scholar

34.	Salal Khan	Interconnection between pre-prebyopia, asthenopia and refractive errors among handcrafting workers	IJCMPPH	Original	International	PubMed, Google Scholar
35.	Salal Khan	Estimating the progression of pediatric myopia in school-going children among 4-15 years of age	International Journal of research in medical sciences	Original	International	Web of Science, Google Scholar
36.	Salal Khan	A Pilot study on Assessing the Role of Various Learning Methods among the Optometry Students: A Futuristic Scenario in Optometry Education	IJMSHR	Original	International	Web of Science, Google Scholar
37.	Salal Khan	An Case Report on Acute Corneal Hydrops with Uveal Prolapse	Indian Journal of Ophthalmology	Original	National	Scopus
38.	Salal Khan	Role of Vision Therapies in Myopia Control: A Review Study	IJCEO	Review Article	International	Scopus

RAZIA BANO (ASSISTANT P ROFESSOR)

1.	Razia Bano	Assessment of awareness & contact lens related complications among contact lens users.	International journal of Science & Research	Original	International	Pubmed
2.	Razia Bano	Assessment of phoria in young adults in a district Mullana Haryana India	Journal of xidian university	Original	International	Scopus
3.	Razia Bano	Correlation between screen time, outdoor activity & myopia progression in urban school aged children: A concise Review	Journal of neonatal surgery	A review article	International	Scopus

MALIKA ABBAS (ASSISTANT P ROFESSOR)

1.	Ms. Malika Abbas	Estimation of progression of pediatric myopia in school going children among 4-15 years of age	International Journal of Research in Medical Sciences	Original Research Article	International	Google scholar, Pubmed (NLM)
----	------------------	--	---	---------------------------	---------------	------------------------------

RAMLAH AKHTAR (ASSISTANT P ROFESSOR)

1.	Ramla Akhtar	Interconnection between pre-prebyopia, asthenopia and refractive errors among handcrafting workers	IJCMPh	Original	International	PubMed, Google Scholar (Published)
2.	Ramla Akhtar	Screen Time and Dry Eye in School-Aged Children: A Comparative Study Between High and Low Altitudes.	JXU	Original	International	Google Scholar
3.	Ramla Akhtar	The Calcium Connection: A Simple Nutrient Could Prevent Vision loss from Age-related Macular Degeneration.	VSA (Vision Science Academy)	Blog	International	Google Scholar
4.	Ramla Akhtar	Prevalence of refractive error in children-hospital based study in Lucknow. Prevalence of refractive error in children-hospital based study in Lucknow.	International Journal of Research in Medical Sciences	Original	International	Google Scholar
5.	Ramla Akhtar	Impact of Community Based Education on Students' Performance.	Pollution and community health effects	Review	International	Google Scholar
6.	Ramla Akhtar	Traditional teaching method Vs Modern teaching method.	GPH-International Journal of Educational Research	Review	International	Google Scholar
7.	Ramla Akhtar	Harmful Effects of Plastics on Human Health and the Environment	Social Science And Humanities Research	Review	International	Google Scholar
8.	Ramla Akhtar	Clinical Changes in Eye due to Covid-19 Pandemic	Journal of Advances in Medicine and Medical Research.	Review	International	Google Scholar
9.	Ramla Akhtar	Knowledge about Cataract and its Risk Factors among an Adult Population in Rural Lucknow	Journal of Optoelectronics Laser	Original	International	Scimago Scopus
10.	Ramla Akhtar	Computer Vision Syndrome	Journal of Medical Clinical Case Reports	Review	International	Pubmed(NLM) Google Scholar

11.	Ramlah Akhtar	A Cross-Sectional Study On Visual Outcome After Cataract Surgery In Northern India: An Indian Perspective	EPRA International Journal Of Multidisciplinary Research	Review	International	Google Scholar
