

Guest Lecture on “Emerging Technologies in Programming”

Date: 18th February 2025

Time: 10:00 a.m. – 1:00 p.m.

Venue: Mini Auditorium, Ground Floor, University Building, Era University, Lucknow

The Department of Computer Science, Faculty of Science, Era University, Lucknow, successfully organized a Guest Lecture on “Emerging Technologies in Programming” on 18th February 2025 at the Mini Auditorium, University Building.

The event was organized under the esteemed patronage of Prof. (Dr.) Abbas Ali Mahdi, Hon'ble Vice Chancellor, Era University, and Prof. (Dr.) Farzana Ali Mahdi, Hon'ble Pro Vice Chancellor, Era University. The program was convened by Prof. Santosh Kumar, Head, Department of Computer Science, Era University, with Prof. Arvind Kumar Srivastava, Dean, Faculty of Science, Era University, serving as the Co-Convenor.

The guest lecture was delivered by Er. Himanshu Kashyap, Senior Project Manager, DigiCoders, and Mr. Jay Kashyap, MERN Trainer, DigiCoders. The speakers shared valuable insights into emerging trends and technologies in modern programming, focusing on advancements in web development, full stack technologies, industry-relevant frameworks, and evolving programming paradigms.

During the session, the speakers discussed the importance of adapting to new technologies, continuous skill upgradation, and the growing demand for proficient programmers in the IT industry. Real-world examples, industry use cases, and career guidance were shared to help students understand current market requirements and professional expectations.

The guest lecture witnessed enthusiastic participation from students of the Department of Computer Science, along with students from other departments who showed keen interest in programming and emerging technologies. The interactive nature of the session encouraged students to actively participate, ask questions, and engage in meaningful discussions with the resource persons.

The organizing team for the event comprised Dr. Nagendra Kumar Singh and Mrs. Alfiya Mahmood, whose dedicated efforts ensured the smooth and successful conduct of the program. The student coordinators were Om Jaiswal, Aamra Gayas, Butool Mehdi Kazmi, Himanshu Dixit, Maneesh Pandey, and Abdul Wadood, who actively assisted in managing the event proceedings.

The program concluded with a vote of thanks, expressing sincere gratitude to the guest speakers for sharing their expertise and to all participants for their active involvement. The guest lecture proved to be highly informative and beneficial, enhancing students' understanding of emerging programming technologies and reinforcing the department's commitment to organizing industry-oriented academic activities.
