

One Day Workshop on “MERN | Full Stack Development”

Date: 19th December 2024

Time: 11:00 a.m. onwards

Venue: Mini Auditorium, Ground Floor, University Building, Era University, Lucknow

The Department of Computer Science, Era University, Lucknow, successfully organized a One Day Workshop on “MERN | Full Stack Development” on 19th December 2024 at the Mini Auditorium, University Building.

The workshop was organized under the esteemed patronage of Prof. (Dr.) Abbas Ali Mahdi, Hon'ble Vice Chancellor, Era University, and Prof. (Dr.) Farzana Ali Mahdi, Hon'ble Pro Vice Chancellor, Era University. The program was convened by Prof. (Dr.) Santosh Kumar, Head, Department of Computer Science, Era University, with Prof. (Dr.) Arvind Kumar Srivastava, Dean, Faculty of Science, Era University, serving as the Co-Convenor.

The workshop was conducted by Mr. Asit Pathak, Director and Expert Trainer at Digipodium, Lucknow, and Mr. Mohd. Mubassir, Full Stack Developer at Digipodium, Lucknow. The resource persons delivered comprehensive sessions on MERN stack technologies—MongoDB, Express.js, React.js, and Node.js, highlighting the architecture and development of modern full stack web applications.

During the workshop, emphasis was laid on practical learning, industry-oriented development practices, and real-world application building. The speakers discussed front-end and back-end integration, database handling, API development, and deployment strategies, along with career opportunities in full stack development.

The workshop witnessed enthusiastic participation from students of the Department of Computer Science, along with students from other departments who demonstrated a keen interest in web development and full stack technologies. The interactive sessions encouraged active student engagement, queries, and discussions with the trainers.

The organizing team comprised Mr. Mohd. Reza, Mrs. Alfiya Mahmood, and Dr. Nagendra Kumar Singh, whose coordinated efforts ensured the smooth and successful execution of the workshop. The student coordinators for the event were Om Jaiswal, Himanshu Dixit, Sarah Haq, Faiz Ahmad, and Batool Mehdi Kazmi, who actively assisted in managing the event proceedings.

The program concluded with a vote of thanks, expressing sincere gratitude to the resource persons, organizing members, and participants for their valuable contributions. Overall, the workshop proved to be highly beneficial, enhancing students' technical competencies and practical understanding of full stack web development. The Department of Computer Science continues its commitment to organizing such industry-relevant skill development programs for holistic student growth.
