

Technical Session on “Cyber Crime Awareness & Agentic-AI”

Date: 22nd November 2025

Time: 11:00 a.m. – 1:00 p.m.

Venue: Mini Auditorium, Ground Floor, University Building, Era University, Lucknow

The Department of Computer Science, Faculty of Science, Era University, Lucknow, successfully organized a Technical Session on “Cyber Crime Awareness & Agentic-AI” on 22nd November 2025 at the Mini Auditorium, University Building.

The program was organized under the esteemed patronage of Prof. (Dr.) Abbas Ali Mahdi, Hon’ble Vice Chancellor, Era University, and Prof. (Dr.) Farzana Ali Mahdi, Hon’ble Pro Vice Chancellor, Era University. The session was convened by Prof. (Dr.) Santosh Kumar, Head, Department of Computer Science, Era University, with Prof. (Dr.) Arvind Kumar Srivastava, Dean, Faculty of Science, Era University, serving as the Co-Convenor.

The technical session was delivered by Mr. Asit Pathak, Expert Trainer at Digipodium, Lucknow. The session focused on creating awareness about cyber-crimes, digital safety practices, and emerging challenges in cyberspace, along with an introduction to Agentic-AI and its role in intelligent decision-making systems.

Mr. Asit Pathak discussed various forms of cyber-crimes such as phishing, identity theft, online fraud, and social engineering attacks. He emphasized preventive measures, cyber laws, and best practices for safe digital behavior. The session further highlighted the concept of Agentic-AI, explaining how autonomous AI agents can perceive environments, make decisions, and act independently, and how such technologies are shaping the future of cyber security and intelligent systems.

The session witnessed enthusiastic participation from students of the Department of Computer Science, along with students from other departments who showed keen interest in Cyber Security and Artificial Intelligence. The interactive nature of the session encouraged students to actively participate, ask questions, and engage in meaningful discussions with the resource person.

The organizing team for the event comprised Mrs. Alfiya Mahmood, Dr. Nagendra Kumar Singh, and Dr. Simab Hasan Rizvi, whose dedicated efforts ensured the smooth and successful conduct of the program. The student coordinators were Shazia Ghazi, Sarah Faiq, Maneesh Pandey, and Om Jaiswal, who assisted effectively in managing the session.

The program concluded with a vote of thanks, expressing sincere gratitude to the resource person for sharing valuable insights and to all participants for their active involvement. The technical session proved to be highly informative and beneficial, enhancing students’ awareness of cyber security issues and emerging AI technologies. The Department of Computer Science continues its commitment to organizing such knowledge-enriching and industry-relevant academic activities.
