Era University**

Film is a medium of expression and it can provide a platform to portray emotions in best way if used sensibly. Keeping this in view Department of Liberal Education has organized a two days Filmmaking workshop (July 13-14, 2023) for students at Era University. Mr. Nazir Khan, filmmaker from Mumbai was the resource person for the workshop. Mr. Nazir is an alumnus of the Film and Television Institute, Pune. First day of the workshop started with the warm welcome of the guests. Dr. Sheeba Rizvi, Assistant Dean, Faculty of Science and Head Department of Liberal Education gave an overview of the department. Mr. Nazir Khan started his session with brief flashback of the history of film making. He also gave students idea about different types of shots, camera, angle and other technical aspects of film making. He also assigned a task of small story telling through photographs and short video to learners. Second day of the workshop started with the discussion on the assignments done by the students. Mr. Nazir keenly observed the work done by students and guided them. A movie is also shown to students and the technical and humanitarian aspects are discussed with the students. A question and answer round is also organized to entertain all the queries of the participants. More than 200 students registered and participated in the workshop. Coordinator for the event Ms. Hershika Verma proposed a vote of thanks to resource person Mr. Nazir Khan for providing valuable knowledge to students.
