Heart surgeries at Era's Med College

LUCKNOW: Doctors at Era's Lucknow Medical College conducted three major heart surgeries in two days with the help of Ayushman Bharat scheme. "The cases were of a 12-year-old girl, an 18-year-old boy and a 25-year-old woman. All three were suffering from congenital heart disease, and their families were unable to get the treatment done. They have been operated on successfully," said Dr Khalid Iqbal, HoD CTVS department and chief cardiac surgeon of the institute in a press statement on Friday.
