

## **Era University Awareness Program against Drug Abuse**

Drugs abuse is one of the social issue of today's youth. Keeping this in view an awareness program against drug abuse has been organized at Era University on July 8, 2023. A team of Narcotics control bureau (NCB), Lucknow was invited for creating awareness among students. The program was organized in Mini Auditorium, University building. Intelligence Officer Mr. R. K. Shaw informed students about different types of drugs, their ill effects on health, psychology and other aspects of life. He also discussed the laws and punishment related to drug abuse and suggested many creative alternatives to release different pressures of life. Intelligence officer Mr. Gyan Prakash also delivered his message of positive thinking and will power against all odds of life through his poetry. Under his guidance all the students took pledge for "No to drugs and yes to life". Team member NCB Mr. Anil Kumar's music session boosted the energy of students and students of department of Liberal Education also presented a song on the occasion. Almost 250 students participated in the program. This program was coordinated by Ms. Swati Joshi Assistant Professor, Department of Liberal Education. Assistant Registrar Dr. Ghazala Zaidi thanked NCB team for the successful conduction of the event. She also mentioned that this is a drive which Era will continue whole year and we believe life is more precious than drugs.
