The Placement Cell of Era University, Lucknow, organized a Career Counseling session on the "Evolution of US Healthcare and the Opportunities it Offers" for students from various programs including Bachelor of Liberal Arts, Pharmacy, Optometry, Physiotherapy, Medical Lab Technology, Radiology, Nursing, Food & Nutrition, and Biotechnology.

Ms. Shikha Tikhar discussed the growing US healthcare market, valued at \$633.27 billion, and explained the structure of United Health Group (UHG), which consists of United Healthcare (UHC) and Optum Global Solutions. UHC handles healthcare and insurance, while Optum focuses on developing and maintaining products and services for UHC.

Ms. Tikhar also highlighted the importance of guidance in the healthcare sector and shared the opportunities UHG offers to Era University students. She presented career growth and salary trends, with starting salaries of 3.40 LPA + benefits for positions such as Medical Coder, Revenue Cycle Manager, and Investigating Officer.

Ms. Mehak conducted a verbal MCQ-based test with the students, and they performed well.

The session concluded with a vote of thanks from Mr. Mohd Azharuddin, Placement Manager, who encouraged students to explore careers beyond hospitals, emphasizing that UHG, the second-largest healthcare organization in the US, offers a wealth of opportunities. He advised students to "prepare themselves for a future-ready career."
