Report

“Charcha on Clean Air”

To educate youth and create awareness about the importance of clean air and safe climate and motivate them to actively participate in protection of air from pollution and stopping climate change, School of Liberal Arts and Sciences, in collaboration with an NGO-“Youth for Climate India” organized an interactive session on “Charcha for Clean Air” with students and faculty on September 29th, 2022 in LT-2, First floor, University building from 12 noon- 02:00 PM. Many students and faculty members enthusiastically participated in the event. They interacted with the team of Youth for Climate India and discussed the problems as well as innovative ideas for preventing air pollution, which made this event successful. The program was coordinated by **Dr. Swati Sachdev, Assistant Professor, School of Liberal Arts and Sciences, Era University, Lucknow.**
