The Placement Cell has organized the event: “**Special Session on Career Counseling**” for Department of Biotechnology, Faculty of Science. In this career counseling session students have asked their queries related to career option and progression. After completing Q.A round Placement Cell circulated a Career Choice Form to better understand student’s career choice after completion of their particular course.

32 students were present in this session & Dr. Saliha Rizvi (DPC) coordinated well. Very soon we’ll organize next career counseling session from any industry expert.
