

EU ERA UNIVERSITY

INTERNAL QUALITY ASSURANCE CELL (IQAC)

*Format in line with the revised NAAC Manual of Universities,
with effect from the academic year 2020-21*

ERA UNIVERSITY
SARFARAZGANJ, HARDOI ROAD, LUCKNOW

The Intent of the Quality policy

The intent of the quality policy is to outline organization's commitment to ensuring the highest levels of quality in its academic, administrative & collaborative processes. It serves as a guiding principle for various stakeholders emphasizing the importance of external quality evaluation, accountability, autonomy & innovations in higher education. The policy document intends to inculcate a sense of pride in stakeholders and infuse commitment in driving the organization towards achieving goals set at global standards.

ERA UNIVERSITY, LUCKNOW ACT, 2016

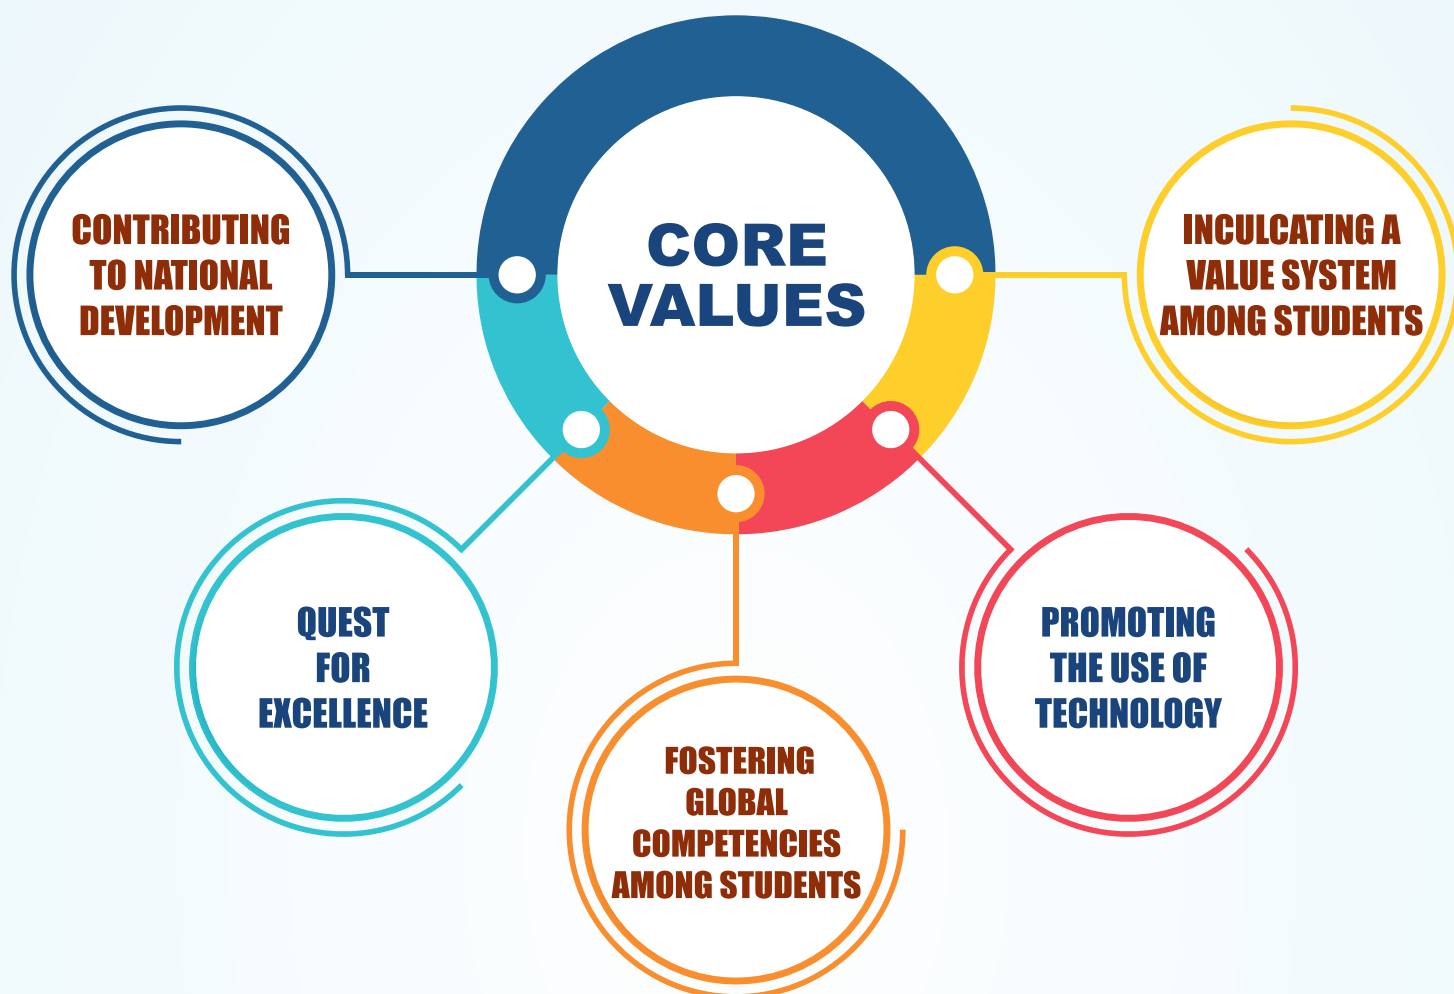

*In pursuance of the provision of clause (3) of article 348, the Era University was established under the **Era University, Lucknow, Uttar Pradesh Act, 2016 (UP Act No.27 Of 2016)** as passed by Uttar Pradesh Legislature & assented to by the Governor on **September 15th 2016**. All the activities of the university are governed by rules and regulations set under its act and statutes. The IQAC policy documents intends to foster a culture of continuous improvement and inculcating best practices in letter and spirit.*

GOAL

MOTTO

IQAC Vision

To promote quality culture as the prime concern of Higher education institutions through institutionalizing all the quality-enhancing & sustaining initiatives taken with internal & external support. (As Adopted from IQAC NAAC Document)

Objective

The primary aim of the IQAC is:

- To develop a mechanism to promote conscious, consistent and catalytic action plans to improve the academic and administrative performance of the institution.*
- To promote institutional quality enhancement and sustenance through the internalization of quality culture and institutionalization of the best practices*

Strategies

IQAC shall evolve a mechanism and procedures for

- Ensuring timely, efficient and progressive performance of academic, administrative and financial units;*
- Adoption of relevant and quality academic and research programmes;*
- Ensuring equitable access to and affordability of academic programmes for various sections of the society;*
- Optimization and integration of modern methods of teaching and learning;*
- Ensuring credible assessment and evaluation processes;*
- Ensuring the proper allocation, adequacy and maintenance of support structure and services; and*
- Sharing of research findings and networking with other institutions in India and abroad. Functions*

Functions expected of the IQAC are:

- *Development and application of quality benchmarks;*
- *Setting parameters for various academic and administrative activities of the institution;*
- *Facilitating the creation of a learner-centric environment conducive to quality education and faculty development to adopt the required knowledge and technology for participatory teaching and learning process;*
- *Collection and analysis of feedback from all the stakeholders on quality-related institutional processes; d) Dissemination of information on various quality parameters to all the stakeholders;*
- *Organization of intra- and inter-institutional workshops and seminars on quality related themes and promotion of quality circles;*
- *Documentation of various programmes/activities leading to quality improvement;*
- *Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of the best practices;*
- *Development and maintenance of institutional database through MIS for the purpose of maintaining and enhancing institutional quality;*
- *Periodical conduct of Academic and Administrative Audits along with their followup activities; and*
- *Preparation and submission of the Annual Quality Assurance Report (AQAR) as per the guidelines and parameters of NAAC.*

Organisation & Implementation

The operation principle behind the IQAS is implementation of quality standards and development of continuous feedback system in accordance with DMAIC principle. DMAIC is a data-driven process-improvement methodology that focuses on properly identifying the problem, utilizing data to determine the root cause, developing and implementing the solution, and verifying that the solution continues to be effective over time.
